

# Intimate Aesthetics

*Reshape · Rejuvenate · Revitalize*

## **Aesthetic Vulvo-Vaginal Procedures:**

- » Labiaplasty - Can modify appearance to address loose, sagging, redundant tissue, asymmetry, pigment changes
- » Vaginal Tightening - To address looseness following multiple childbirths
- » Vulvo-Vaginal Revitalization - To address atrophy, dryness, urinary, and menopause related symptoms

## **These procedures can offer:**

- » Improved comfort for active lifestyles
- » Improved comfort and confidence with intimacy
- » Younger, more youthful appearance due to lifting and tightening of skin

## **Office-based procedures:**

- » Non-invasive and minimally invasive technology
- » Multiple different energy platforms allow for a *truly individualized* approach
